

Dixon Promotional Book Enrollment Instructions

Step 1: Read This Entire Page. Your satisfaction with our program means everything to us! Reading this page is vital to understanding the procedures and policies that we must adhere to, while keeping your shipments both rapid and smooth.

Step 2: Fill out and mail your Activation Form. The Activation Form on the back cover of this booklet contains vital information we need to establish your account. Please write legibly and fill in ALL of the information. Detach the form and mail it to us (address is on the form). Upon receipt, Eyconic Marketing will assign your Personalized Authorization Number by email or USPS mail (watch for this in 7-14 business days after you send in your Activation Form). This number must be correctly entered on the bottom right hand corner of each of your Redemption Certificates before submitting to Eyconic Marketing for golf balls or other discount offers.

Step 3: Redeem your first certificate. After you have received your Personal Authorization Number you can redeem your first certificate. Complete all the information clearly on the First Redemption Certificate, including (especially) your Personal Authorization Number. Detach and mail your certificate to: **EYCONIC MARKETING | P.O. BOX 25444 | TEMPE, AZ 85282**

Step 4: Redeem all future certificates the “eco-friendly” way. As soon as you receive your first sleeve of golf balls you may immediately submit your next certificate for redemption. Simply complete all of the information on the next certificate (remember the Personal Authorization Number is required). Enclose your certificate along with the empty recycled cardboard sleeve that you received in your previous order and send it to Eyconic Marketing at the address above. Simply flatten this sleeve along creases. DO NOT staple, tape, or modify the empty sleeve in any way. NOTE: Dixon Golf will recycle the golf ball sleeves to minimize the carbon footprint of this eco-friendly promotion.

Step 5: Enjoy your eco-friendly Dixon golf balls and watch for other discounted offers from our business partners.

Step 6: Repeat Steps 4 and 5 until your Redemption Certificates are all spent.
